

## THE SOLUTION FOR

## HOW IT WORKS

THE CYBER™ FLEET GATE PROVIDES DRIVERS AND FLEET MANAGERS WITH THE FOLLOWING INFORMATION:

- Tyre ID / Fire code (tyre manufacturer, brand, model, tyre size, DOT)
- Tyre Pressure (nominal, target, compensated and measured)
- Real tyre temperature
- Digital pressure gauge
- Traffic light and real time warning
- Corporate account
- Vehicle configuration
- Automatic synchronisation on different smartphones

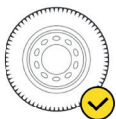

A SMART AND QUICK CHECK OF YOUR TYRES

● "GREEN" LIGHT MEANS THAT ALL THE TYRES ARE IN OPTIMAL CONDITIONS

● "RED" LIGHT MEANS THAT AT LEAST ONE TYRE HAS A PROBLEM
